**President's Day**

## MAP Testing In April

Parents~

Just a heads up that MAP Testing will occur in April. We will host a Kick-Off Assembly on Friday, April 13, 2012.

The Assembly will be full of many exciting surprises to get the students pumped up for the MAP Testing Week!

The actual testing will take place April 16<sup>th</sup>-23<sup>rd</sup>. Please make every effort to have your child here on time each day.

Please try not to schedule dentist or doctor appointments during that time.

Thank you in advance!
