Visitor Policy

Just a reminder about the visitor's policy from the Primary and Elementary Handbook- Parents, guardians, and Board of Education members, and volunteers are welcomed and encouraged to come into the schools. However, they must report to the Principal's Office upon entering the building and sign in and sign out, so that the office is aware of their presence. When a patron of the school has a need to visit a classroom, an appointment should be made, if possible, one day in advance, so that the staff member may proceed with his/her assigned duties without undue interruption.

As the teachers and students approach MAP Testing, we are trying to preserve the atmosphere of the classroom so that optimal learning may take place. Thank you in advance for your cooperation!

Upcoming Dates

**February 20th- No School
President's Day**

**February 29th- Delta Dental
Assembly
9:00am- Primary
10:15am- Elementary**

**March 6th- DTA Elementary Open
House**

MAP Testing In April

Parents~
Just a heads up that MAP Testing will occur in April. We will host a Kick-Off Assembly on Friday, April 13, 2012. The Assembly will be full of many exciting surprises to get the students pumped up for the MAP Testing Week! The actual testing will take place April 16th-23rd. Please make every effort to have your child here on time each day. Please try not to schedule dentist or doctor appointments during that time. Thank you in advance!
